Final paper Submission to WCNC 2013 Workshops

Final versions of accepted papers must be submitted on EDAS for inclusion in the workshops proceedings and IEEE Xplore®. Before submission on EDAS, one of the paper authors must register to the workshop in which the paper is included. The WCNC 2013 Executive Committee reserves the right not to include in IEEE Xplore® the papers that are not actually presented by one of the co-authors at the workshop.

Revise your Paper

Please read the reviews of your paper and follow the reviewers' recommendations for revising it and preparing the final version. When you are done with the revision, please print out your paper and carefully proof read it. Review formatting requirements can be found at: http://www.ieee.org/web/publications/pubservices/confpub/AuthorTools/conferenceTemplates.html

Register to the Workshop

The presenting author must register to the workshop before submitting the final paper.

For conference registration, please go to the Registration page of the WCNC 2013 website http://www.ieee-wcnc.org/2013/registration.html and follow the instructions. **After completing your registration you will use your confirmation number to upload your paper into EDAS**

Submit your Paper

Your camera-ready paper must be submitted **no later than 22 January 2013** in order to be included in the workshops proceedings. The maximum number of pages is 6.

To submit your final paper, please go to EDAS, click on the "My Papers" button, and then upload your paper on the link provided.

If you experience any problems during the upload process of your paper on EDAS, please contact help@edas-help.com.

IEEE Copyright Form

Before you upload your camera-ready paper, you will need to submit your IEEE copyright form using the IEEE electronic copyright mechanism. Please follow the link provided on the paper submission page.
